

CLAIRE SEDOVIC

CHILDREN'S ILLUSTRATOR

MEET THE ILLUSTRATOR

By age six, Claire Sedovic knew she wanted to be an illustrator. Growing up in a family that prized creativity and a good bedtime story, she developed a strong appreciation for the interplay of words and pictures. Childhood experiences such as visits to the zoo and botanical garden continue to provide inspiration for her work today.

In 2015 she graduated from Drake University in Des Moines, IA with a BFA in Graphic Design. Originally from St. Louis, MO, she currently resides in Des Moines. *Odd Animal ABC's* is her first children's book.

ODD ANIMAL ABC'S

An outside-the-box tool for alphabet learning, featuring strange, but real animals and handfuls of humor.

A is for Alligator, B is for Bear, and so on, right? Not in this book. The odd animals are taking over! It's time to meet Aye-Aye, Fossa, Numbat, Xenops and more curious, yet real animals that are ready for their spotlight. Laugh along as they introduce the letters of the alphabet in their own odd way!

MEET THE CRITTERS: SCHEDULE A SCHOOL VISIT

Claire's school presentations take students on the exciting journey from sketchbook to publication. With personal anecdotes and (quite a few!) odd animals, students will get a behind-the-scenes look at how pictures are made for children's books. Presentations are approximately 45 minutes to an hour.

Presentations can include:

- Drawing demonstrations and how-to's
- Audience participation
- Read-aloud's and book signings
- Sneak peeks at upcoming books
- Q & A and much, much more!

2022- 2023 SPEAKING FEES*

Group Session (one presentation): \$200

Half Day (two presentations): \$350

Full Day (three to four presentations): \$650

A note on presentations:

Art classes in particular are a great setting for kids to ask questions and share their own artistic aspirations. Upon request, Claire can plan for more intensive art projects in addition to a drawing demonstration to get kids involved in the creative process.
